

Rolls Out Customizing Parts for New CAMRY.

February 1, 2021

February 1, 2021, TOYOTA CUSTOMIZING & DEVELOPMENT Co., Ltd. added a lineup of customized parts for GR brand along with the partial improvement of Camry, and the start of sales at all nationwide TOYOTA dealers in Japan.

The "Sensual Sport Style" set for the WS grade, the sporty grade of new Camry, is composed such as GR front spoiler creating a powerful front face by the design linked with the base car, and not only transform the styling more sporty but also improves driving stability with aerodynamic function.

Furthermore, we have a lineup that sublimates new Camry into a high-quality sporty sedan, such as 19inch alloy wheels creates a simple yet strong undercarriage and the GR "Performance Damper ®" achieve both improved ride quality and steering stability at high level.
